

Do partnerships last?

Comparing marriage and cohabitation using longitudinal census data

Extended Abstract

Please note that this paper is due to be published on 25 March 2010. It is not possible to provide an extended abstract prior to this date because the paper contains official statistics prepared by the Office for National Statistics (UK). These statistics are governed by pre-release controls.

On the 25 March 2010, the full and final paper can be provided.

In the event that you require further information prior to this in order to appraise our submission please contact ben.wilson@ons.gov.uk

Thanks
